

# Expand Your Market Coverage

PetVision can help you accelerate your growth into new markets. Based in St. Charles, IL, PetVision is a distributor of products that keep pets healthy and safe. We help manufacturers bring innovative, high-quality pet products to new markets.

We enable independent retail businesses to profitably expand their portfolios with products that empower active and healthy pet lifestyles and ensure the safety of pets and their owners.

Whether expanding market coverage or launching new products or brands, PetVision can help. We provide value-added sales and marketing services that help you profitably launch and scale into new markets.

## Our Value Propositions

### For Pet Supply Brands and Manufacturers

**Growth:** PetVision provides sales coverage, allowing you to expand into new markets

**Brand Value Protection:** PetVision enables retailers on the proper way to market and sell your portfolio's unique value proposition

**Customer Experience:** PetVision develops local relationships with independent pet retailers

**Quality Control:** PetVision can provide governance of you brand, portfolio, and pricing policies

**Distribution:** PetVision can maintain limited local inventories to support product ramp and new market acceleration

**Marketing:** PetVision offers value-added marketing services that accelerate any launch or initiative, including custom portals, new product overviews or launch videos
